Giving it a try to see if it's central enough. We can always change in July if we hate it:) Jeremy from Lehi says that 5 gives us more time for matches. I have tons of kids so I totally agree However if your kids come at 6 that works as they can't all go on at the same time. Again, if you aren't with them, when they come for a match, please give them a number using the ranking system I sent earlier
1-2 beginners
3 intermediate—usually our biggest pool
4 is a jv high school player
5 is a varsity player
Not an exact science but close enough to have less lopsided matches I have info on UTR that I'll be sending out tomorrow
Let me know if you guys want to change anything I sent out an email early on with a request for ideas and those changes are what I received

Wilbur Braithwaite Tournament will be held the week of July 17.
