ONE MIND CAMPAIGN

Spanish Fork Police Department recently joined the International Chiefs of Police Association's One Mind Campaign. We, along with six other Utah Agencies, have taken the One Mind campaign pledge.

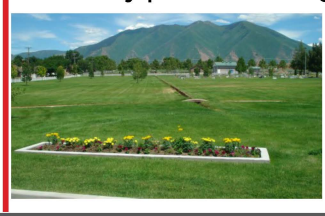
The One Mind Campaign seeks to ensure successful interactions between police officers and persons affected by mental illness. Requirements for the one mind campaign include the following:

1. Establish and clearly define a sustainable partnership with one or more community health organizations.
2. Develop and implement a model policy that addresses police response to persons affected by mental illness.
3. Train and certify 100 percent of sworn officers (and selected non-sworn staff) in Mental Health First Aid.
4. Provide Crisis Intervention training to a minimum of 20 percent of sworn officers (and selected non-sworn staff).

Spanish Fork Police Department continues to seek the best practices to ensure the best service possible for our citizens. For more information, visit www.theiacp.org/projects/one-mind-campaign

CEMETERY RENOVATIONS

Please expect construction at the City Cemetery from March 1 to May 1. We will be installing a buried draining system to allow stormwater to be absorbed and filtered in the ground along 400 South. In addition, a "loop road" attached to 100 North Cemetery Street will be installed, allowing more direct access to the cemetery blocks at the far north/east corner of the cemetery. Everything should be looking great before Mother's Day and Memorial Day. Our cemetery staff will ensure uninterrupted service to cemetery patrons during this time.



NEW SERGEANTS

SFPD recently promoted Zack Adams and Cody Harris to the rank of Sergeant.

Sgt. Adams has 16 years of service, and has served in many assignments. His latest assignment was in the Investigations Division investigating property crimes.

Sgt. Harris has 13 years of service, and most recently served in the Investigations Division investigating sex crimes.

These fine officers will be great additions to the administration of the police department.
