For information and to purchase event tickets as well as helicopter and WWII bomber rides, visit [spanishfork.org/wingsandwheels](http://spanishfork.org/wingsandwheels).

As a reminder, we have a pyrotechnics team that sets off several large explosions during the airshow. If you see smoke, fire, and explosions at the airport on September 23, please do not call 911. Fire & EMS and police personnel will be on scene in the event of an emergency.

A clean gutter makes the community look nicer, reduces flooding in rain storms, reduces pollution in our streams, and reduces maintenance costs.

Thank you for all your efforts to make our community a great place to live.
