YARD SALES MADE EASIER

Spanish Fork City has made advertising your yard sale even easier than you ever thought it could be. You can advertise your sale online, for free. You can let the world, or at least the community, know what you are selling, in great detail, without having to pay for the extra words.

A cool feature to this yard sale application is the map and directions that are provided to your sale. By entering your address, this application automatically finds your home by connecting to a Google Maps application. This is a sure way to help people find your yard sale.

For the avid yard salers, you can find more than 30 yard sales listed on this site each week; and the more people know about it, the more complete this resource will be.

The main reason this tool exists is to limit or even eliminate the summer yard sale signs that dot the community. The yard sale signs clutter up public spaces and become a nuisance when they are left behind and forgotten. In addition to the signs, a common practice in Spanish Fork is to park your car along Main Street or Canyon Road to attract potential customers. This practice creates a traffic hazard as cars slow down or double park to note each address.

By way of reminder, Spanish Fork City Ordinance 15.3.24.090(C) reads as follows:

Yard sales are permitted for no more than three (3) events of forty-eight (48) hours or less within a twelve (12) month period at the same residence or street address. No signage related to such events shall be placed in the public right-of-way (e.g. no placement of signs on telephone and light poles.)

Use this one-stop resource to save money, time and hassle and help keep our community beautiful.
MUSIC MAN SET FOR FIESTA DAYS

For more information, visit the recreation pages of the City’s website or call the Parks & Recreation office at 801.804.4600. Complete information available on the website.

TIPS TO SAVE ENERGY TODAY

The following tips are ways everyone can cut down on energy use today:

• Install a programmable thermostat to keep your house comfortably warm in the winter and comfortably cool in the summer.
• Use compact fluorescent light bulbs with the ENERGY STAR® label.
• Air dry dishes instead of using your dishwasher’s drying cycle.
• Turn off your computer and monitor when not in use.
• Plug home electronics, such as TVs and DVD players, into power strips; turn the power strips off when the equipment is not in use (TVs and DVDs in standby mode still use several watts of power).
• Lower the thermostat on your hot water heater to 120°F.
• Take short showers instead of baths.
• Wash only full loads of dishes and clothes.
• Drive sensibly. Aggressive driving (speeding, rapid acceleration and braking) wastes gasoline.
• Look for the ENERGY STAR label on home appliances and products. ENERGY STAR products meet strict efficiency guidelines set by the U.S. Department of Energy and the Environmental Protection Agency.

JUNIOR GOLF CAMP

The Spanish Oaks Golf Course is hosting a Junior Golf camp on July 6 and 7. The cost for the camp is $40 and includes two days of instruction, a shirt and prizes. To register, call the Pro Shop at 801.804.4653.

Age groups and times for the camp are as follows:
• 8:45 to 10 am—Ages 12 to 18  • 10:00 to 11:30 am—Ages 9 to 11
• 11:30 to 1:00 pm—Ages 6 to 8

Spanish Oaks also offers group lessons on Thursday evenings at 5:30 pm. Call the Pro Shop at 801.804.4653 to sign up these lessons.

LIBRARY SUMMER READING PROGRAMS

All summer reading programs and story time activities will end August 12th. There is still plenty of time to get all of your reading requirements completed so you can collect your prizes!

We invite you to include visiting the library as part of your fun summer plans. We have lots to offer to entertain, educate, and to keep your family informed and also cool during the hot summer months. Please visit us at spanishfork.org or give us a call, 801.804.4480 for more information.
