

GOOD NEWS ALL AROUND

**A LITTLE FUN AROUND EVERY CORNER**

This month's newsletter is a prime example of why it is great to live in Spanish Fork. From the Youth Theatre production and the upcoming pageant to library activities and sporting events; every month is packed full of activities for residents of all shapes and sizes.

As cities grow, there is a tendency for them to lose their identities, their uniqueness. Fortunately, this has not been the case with Spanish Fork City. The community has a rich tradition of pride and progress which overwhelms new residents and keeps current residents involved in City events.

As Spanish Fork continues to grow, residents can be proud of the community in which they live. Be eager to support all the fun events that take place throughout the year and, at the same time, be grateful for all the hard work and effort that

goes into each and every event that takes place.

Aside from all the events available to the community, as residents, some of the greatest treasures are the many businesses that call Spanish Fork home. Residents are fortunate to have choice in where to shop, where to buy services, and choice in places to gather and socialize. Plus, the Chamber of Commerce in this community outshines all of those from other communities. It is vibrant, active and community-oriented!

Take the opportunity to get involved and enjoy the good life around you. Express appreciation to the numerous coaches, directors, coordinators, instructors, umpires, referees, and volunteers. Because all of you are willing to be you, fun is all around and the good life has us surrounded.
