The ‘Dear Mayor’ section does not appear this month. To send a comment or question to the Mayor and City Council, please use a separate paper and return it with your utility bill; include name and contact information.

The recreation calendar can also be viewed online.

Spanish Fork City Ordinance 8.20.010 requires all properties to be maintained clear of weeds throughout the year: “weeds constitute a nuisance when they create a fire hazard, a source of contamination or pollution of water, air or property, a danger to health, a breeding place for insects or rodents or other forms of life deleterious to human habitations, or are unsightly or deleterious to their surroundings.” Weeds need to be maintained no taller than SIX INCHES above the ground throughout the season, which may last into the month of November. The property between the sidewalk and curb (parking strip) shall be maintained by the owner or occupant.

Maintenance may be accomplished by mowing, discing, or plowing. Burning is NOT allowed due to State air quality standards. Failure to comply with this ordinance may result in violation charges, a Class C Misdemeanor. Properties not kept in compliance will be mowed by the City and the property owner will be responsible for all associated costs.

For liability reasons, residents are urged to keep their property clear. Any damage or injury to others or their property due to hazardous conditions could hold the property owner liable.

Spanish Fork City will hold a public hearing May 17, at 6:00 pm at the Spanish Fork City Office, 40 South Main Street, Spanish Fork, Utah. The purpose of the public hearing is to review the Fiscal Year 2012 Budget.

The budget includes transfer of funds which cannot be defined as reasonable allocation of costs between funds. These transfers include funds from the Electric Fund to the following funds:
- Golf Course Fund ........$199,761;
- Swimming Pool Fund ..$147,165;
- Debt Service Fund ......$731,106;
- General Fund ..........$1,596,157.

Spanish Fork City is implementing the cross connection and backflow prevention program as required by the Utah Department of Water Quality. This program protects drinking water from contaminants that could enter the drinking water system from a residence or business by way of a backflow or cross connection incident.

The State program requires that residential or commercial backflow devises or assemblies be installed correctly and that they be tested by a certified backflow technician. To comply with the law, the results are reported to the City by the technician. This is typically done by the inspectors at the time the home or business is built.

Furthermore, businesses will be contacted each year and reminded of the required inspection for compliance. Check the City’s website for more details about this State law.

**Youth Arts Festival: June 13-24**

Discover the artist within your child this summer at the Spanish Fork Youth Arts Festival, June 13-24! The Youth Arts Festival is a two-week creative arts experience for children ages 3-18 that aims to engage and enrich young children through music, dance, art, literature, drama, photography, and so much more! This unique program is the only one of its kind nationwide. The full two-week duration, as well as the large amount of classes offered and the low cost has made it a model that many city arts programs have wanted to emulate. There will continue to be a wide variety of classes offered this year, including art and dance classes for all ages, youth theater, guitar, songwriting, and Lego art, which is back by popular demand! With exceptional, professional teachers, there is something for every child. Nourish your child’s creativity, imagination and artistic ability through the Youth Arts Festival!

This year, the festival will be back at Spanish Fork High School. Look online at spanishfork.org/arts for our complete list of classes.

**Registration begins May 9.** Classes fill on a first come, first serve basis.

**ONLINE REGISTRATION AVAILABLE!**
