TRAIL USE AND TRAIL ETIQUETTE

So many of people have been using the trail system. The number of people using the river trail in July rivaled the use of trails in larger cities in the valley. With so many people using the trail system, here a few reminders about trail etiquette:

- Wheels yield to heels! Whether your wheels are on a bicycle or roller blades, always yield to pedestrian traffic.
- Parents, please teach your small children to share the trail. If they are on a bicycle be sure they are skilled enough to maneuver as needed and safely pass others.
- Pets are welcome, but keep them on a short leash and clean up any messes.
- Stay to the right hand side of the trail. If you need to pass slower traffic, offer a friendly warning as you approach and pass on the left.

As summer winds down and school starts again we hope you will continue to enjoy the beauty of our Spanish Fork River Trail.

THE PIONEER CEMETERY

The newly re-dedicated Pioneer Heritage Cemetery is now complete. It is with heartfelt thanks that Daughters of Utah Pioneers (DUP) and Spanish Fork City share of memories of the past with the community.

The DUP South Center Company formed committees and went to work researching the names of the deceased buried in this cemetery and markers have been placed to let the ancestors know they have not been forgotten.

The cemetery was rededicated in July 2009, but the final amenities to the cemetery are now in place. Over one hundred names and dates of those buried in this cemetery have been placed on three beautiful Georgia granite sand stones sitting at the entrance to the Cemetery.

In addition to the granite markers, there are also eight new storyboards placed around the cemetery. Each storyboard shares a little history about the cemetery or about those buried there.

Please complete the form and return it with your utility bill. You can also send comments to the City from the City’s website. Thank you for your comments.

LIBRANOTE CARL JOHNSTON RETIRES FROM SFPD

Lieutenant Carl Johnston retired in August after 34 years of dedicated and devoted service to the residents of Spanish Fork. During his tenure, Lt. Johnston served in many capacities from Animal Control to Patrol Lieutenant. He provided many countless hours in service to the city and became the “go to guy” in the police department; if something needed to get done, Lt. Johnston was the one you could ask to do it.

Spanish Fork City thanks Lieutenant Carl Johnston for his devoted service. We are grateful for you and you will be missed!

...MORE ON THE PIONEER CEMETERY

The DUP sincerely thanks CR Bronze Work in Mapleton for completing the eight storyboards placed around the cemetery. The DUP also thanks Allan Wheeler from Heritage Memorials in Spanish Fork who worked so hard and helped the DUP achieve their goal of erecting and displaying the names of the beloved ancestors and pioneer families on the three beautiful granite markers.

Take an evening and visit this peaceful and incredible Pioneer Heritage Cemetery, located at 1900 South and 1530 East.
