A Reminder About Saving Spots During The Parade
The Grand Parade, Wednesday, July 24, is a community favorite. Each year, many residents eagerly save a place to make sure they have the perfect view of the parade. However, places cannot be saved before 6 pm on Tuesday evening. This is to ensure access to businesses along Main Street and to allow for full use of the park and city streets during the day. If you leave something to save a place before 6 pm, it will be removed and you may not be able to get it back.

A Reminder To Pay Your Utility Bill Early or Online
In the past, a few residents have commented that they could not pay their utility bill on time because the carnival was blocking the tan box in the parking lot. Remember you can pay your bill early or even pay online and avoid any delays caused by the celebration.
