**Yard Work & Power Lines**

If you are trimming trees, please take special notice of power lines. Sometimes trees don’t fall in the direction you plan. Call the power department 801.804.4431 if you think the trees in your yard are in the power lines. If you are planting new trees make sure not to plant under the power lines, unless you are sure the variety of tree you are planting will not grow into the lines.

Overhead power lines are easy to spot but did you know that there are underground power lines in some areas? Typically, power lines are buried 4-6 feet underground but in some cases they can be as shallow as two feet in depth. Never take a chance, make sure to always call Blue Stakes at 811 before you dig. It’s the law, and you are responsible for damages if you don’t.

**2017 Miss Spanish Fork Royalty**

Congratulations to the NEW Miss Spanish Fork Royalty! Queen Dexonna Talbot; 1st Attendant Jill McConnell; 2nd Attendant Marley Tanner.
Spanish Fork City Arbor Day

By official proclamation from Mayor Steve Leifson, Spanish Fork Arbor Day 2017, will be observed twice this year. The first Arbor Day will be held on **Friday morning, April 28th at Abbie Court Park, 1438 South 2050 East, attended by Canyon Elementary School students.** The second Arbor Day will be held the **afternoon of Friday, April 28th at The Sports Park, 385 W Volunteer Drive,** attended by Riverview Elementary School students. Both events will include programs of songs, skits and artwork and conclude in planting trees in the parks. The public is invited to attend. Bring a shovel!

**Thank You For Your Service**

Mark Byers retired after honorably serving the citizens of Spanish Fork as the animal control officer for 31 years. Mark was a dedicated employee. During his time with the police department, he also served as an EMT and ran on the ambulance. He will be missed by many people. We congratulate Mark on his service to the community and wish him the best in his retirement.

**Pressurized Irrigation Water is Coming: Be Prepared**

The pressurized irrigation water will be turned on by April 15th or sooner, depending on the weather. Sometimes cold winter temperatures cause problems with sprinkler systems. Without careful observation, these problems can flood your yard and home once your sprinkler system turns on. It is best to make sure your pressurized irrigation service is turned off at the meter before the city system is energized.

To turn your pressurized irrigation water off, locate your pressurized irrigation meter box. This is typically a green box just behind the sidewalk in your front yard. There will be a valve in the meter box or in a round box near the meter box that will need to be closed. To close it, turn the valve so that it is perpendicular to the pipe going into your yard. If you have sprinkler system filters, check to make sure they are clean. Please be sure to securely replace the lid on the box when you are done. If you have a leak in your meter box call the city at 801-804-4440 option 2.

**Umpires Needed**

Spanish Fork Parks & Recreation is looking for umpires for the 2017 Youth Baseball/Softball season. We are looking for responsible individuals who have a desire to umpire and have a good work ethic. There will be **two mandatory training meetings. The first will be held on Monday April 10th at 6:00 p.m. at the Spanish Fork Parks & Recreation office located at 775 North Main. Please enter through the west downstairs entrance. The second mandatory training meeting will be held on Monday April 17th at 6:00 p.m. at Russell Swenson Ball Park. You must presently be in **9th grade (2016-17 school year)** or older to be considered to umpire. If you are interested, please call or come in to the Spanish Fork Parks & Recreation office to put your name and email on the list. For any further questions, feel free to call us at 801.804.4600.**

**Jourdyn Reid, Miss Spanish Fork 2016**

One year, 365 days of endless opportunities, new friendships and self growth. I can say without a doubt that representing such an incredible city and community has been the highlight of my life. I have grown this year in ways that I didn’t ever imagine possible. This was a year I will never forget. Thank you Spanish Fork City for an amazing year. I look forward to representing Spanish Fork at the Miss Utah Pageant in June. I will be collecting used shoes until April 6, 2017. Please drop them off at the Spanish Fork City Library. Love, Jourdyn Reid; Miss Spanish Fork 2016
