Champion’s Challenge Rodeo
Ever wondered what it would be like to see the All Stars of the PRCA rodeo in person? Wonder no more because the top cowboys and cowgirls will be in your home town of Spanish Fork on June 3rd to compete in this one night competition, appropriately called the “Champion’s Challenge Rodeo”. This is a fast-paced and star-studded event. If you missed this rodeo last year, you don’t want to be on the outside again. Tickets are going fast and this rodeo will sell out! Visit the City’s online ticketing program at sfcitytix.com to get your seats today.

Green Waste Disposal
Each Spanish Fork residential utility account holder can download three (3) vouchers a year that will allow them to take green waste to the transfer station at the north end of Main Street (2450 West 400 South in Springville) at no charge. These vouchers will give an $8 credit for each load. This is the typical charge for pickup truck sized load of covered green waste. You will need to download, print and bring the paper copy of the voucher to the transfer station when you drop off your green waste. They will not accept the vouchers electronically. Vouchers are scanned to ensure that no more than 3 are used for each residence. Visit spanishfork.org/greenwaste to print your vouchers.

Mother’s Day & Memorial Day at the Cemetery
We are grateful for the decorations that our citizens provide to brighten our City Cemetery.

To make it possible for City staff to mow the grass please remember to remove any Mother’s Day decorations that you would like to keep by Thursday, May 18th and Memorial Day decorations by Sunday, June 4th. Decorations not removed by these dates will be discarded the following day. Spanish Fork City is not responsible for lost or stolen items. Thank you for your help.

Free Health & Wellness Fair
Thanks to a grant from the Utah League of Cities and Towns, Spanish Fork Active & Healthy Community will be holding a Community Health and Wellness Fair on Saturday, June 17th from 9am-Noon.

The goal associated with this grant is to decrease the chronic disease prevalence within our community. Local leaders, businesses, educational institutions and faith-based organizations have united to help make this goal a reality.

The Fair will bring together organizations that can provide our citizens with programs, activities, educational materials, and other resources in various aspects of Health & Wellness. More specifically in the following areas: fitness, nutrition, mental health, social health, etc.

We hope to see you there!
Mayor’s Corner
There has never been a better time to be a Spanish Fork City resident. For several years our residents have been asking me; “when is Spanish Fork going to get a sit down restaurant”? I’m happy to report that Olive Garden has signed a lease with Woodbury Corporation and plans to be serving breadsticks and salad to patrons near the latter end of 2017.

Another question I’ve often been asked is “when is Spanish Fork going to get another movie theater”? Let’s just say my wife is going to be thrilled this December when I take her for an exquisite dinner at Olive Garden and then to the new Star Wars movie at the Spanish Fork Cinemark.

Olive Garden and Cinemark are just two of the new additions that will soon be part of the Canyon Creek Parkway Commercial Center. Canyon Creek Parkway will eventually include: 129 acres of commercial space; 21 acres of public space, which includes a trail and grassy areas for patrons to recreate and a 63 acre site that Intermountain Healthcare plans to build a hospital on. It’s projected that once all three phases of this area have been completed there will be over 1 million square feet of commercial building space.

I am so grateful for the jobs that Canyon Creek Parkway has and will provide for our citizens and look forward to the socializing that will soon be possible thanks to the addition of these establishments.

2017 Candidate Filing Period

Library Entrance Improvements
We would like to thank our library patrons for their patience while we upgrade the main entrance to the library.

Until the new entrance has been completed the entrance and drop box to the library will temporarily be on the east side of the building. We hope you enjoy the improvements!

NOTICE TO SPANISH FORK CITY UTILITY CUSTOMERS

State law requires that the City provide an annual disclosure on funds transferred from a utility enterprise fund to any other fund. The City has budgeted a set percentage transfer from each of the Utility Enterprise Funds (Water, Sewer, Electric, Storm Drainage, Solid Waste and Broadband) to the General Fund.

The City of Spanish Fork has budgeted for the transfer of 3.5% of each utility’s revenues from the utility’s retail rate to the general fund as a dividend to Spanish Fork taxpayers. This dividend is the result of the taxpayers’ investment in the City’s utility infrastructure. These Funds are used each year to help cover costs of important city services like police, fire, library, senior center, parks and recreation, and other city functions. The utility transfer helps keep property taxes low in Spanish Fork. If City utility services were provided by private utility vendors, these dividends would instead be paid to the private investor-owners. Because Spanish Fork taxpayers are the investor-owners, these dividends are used to offset what otherwise would be a significant increase in property tax rates. These transfers are of funds which cannot be defined as reasonable allocation of costs between funds. These amounts will not be repaid.

The amount of the transfers is as follows:

<table>
<thead>
<tr>
<th>From the Fund</th>
<th>Dollar Amount</th>
<th>% of Expenditures</th>
</tr>
</thead>
<tbody>
<tr>
<td>From the Water Fund to the General Fund</td>
<td>$181,495</td>
<td>2.98%</td>
</tr>
<tr>
<td>From the Sewer Fund to the General Fund</td>
<td>$119,082</td>
<td>2.27%</td>
</tr>
<tr>
<td>From the Electric Fund to the General Fund</td>
<td>$763,823</td>
<td>3.16%</td>
</tr>
<tr>
<td>From the Storm Drainage Fund to the General Fund</td>
<td>$67,088</td>
<td>1.49%</td>
</tr>
<tr>
<td>From the Solid Waste Fund to the General Fund</td>
<td>$69,937</td>
<td>3.87%</td>
</tr>
<tr>
<td>From the Broadband Fund to the General Fund</td>
<td>$178,023</td>
<td>2.29%</td>
</tr>
</tbody>
</table>

Spanish Fork City also has a debt obligation that the Electric Fund is making payments on. The Funds are to pay for the Police / Court Building. This transfer is for funds which cannot be defined as reasonable allocation of costs between funds. This amount will not be repaid.

The amount of the transfer is as follows:

| From the Electric Fund to the Debt Service Fund | $ 695,363 | 2.87% |

A public hearing will be held on Tuesday, June 6, 2017 at 6:00 p.m. at the City Council Chambers located at Spanish Fork City Hall, 40 South Main Street, Spanish Fork, Utah. The public hearing will be to discuss the proposed dividend transfers in the Fiscal Year 2018 Budget. The fiscal year begins July 1, 2017 and ends June 30, 2018.

Thank you for your support and involvement as a customer of Spanish Fork’s utilities.
