Register for youth sports at reconline.spanishfork.org

WINTER WEATHER TIPS

Now that winter is here, here are a few winter tips that will help you enjoy the winter months.

Frozen Water Pipes
Cold temperatures can freeze any water left in sprinkler pipes, so be sure that your pipes are completely drained. Low temperatures can also freeze indoor water pipes if hoses are left attached to the house or walls are poorly insulated. One way to prevent this is to keep the thermostat set to the same temperature both during the day and night. Though you may incur a higher heating bill, you can prevent a much more costly repair job if pipes freeze and burst.

Snowplows and Sidewalks
When snowflakes flurry, City crews are dispatched almost immediately to begin plowing City streets. Plows will begin with the highest priority areas, which include arterial streets, school bus routes, collector roads, and hillside areas. Please remember to keep the sidewalks on your property clean from snow and ice.

Potholes
Potholes can form when the asphalt freezes and cracks, and can develop quickly and without warning. With 30 miles of streets, City crews do not always know about all the potholes. If you see a pothole, please report it to the city at www.spanishfork.org/support/ or call (801) 804-4500.

PROTECT KIDS FROM HARMFUL MATERIAL ON THE INTERNET

The Spanish Fork Community Network wants to help you keep your family safe from harmful material on the Internet. If you have children in your home, please review our webpage, which outlines tips on protecting kids, regardless of how you access the Internet. Our webpage provides parenting ideas and content filter choices to help protect kids on all of their devices.

Take a look at: www.sfcn.org/internetSafety/
The Spanish Fork Arts Council is proud to announce that the adult arts education winter classes will begin on January 26, 2019. This is a great opportunity to learn or develop new skills and talents, or improve what you already know and enjoy. Come learn from experienced teachers about chalkboard design, quilting, ceramics, painting, photography, yoga, and more!

Classes will be held on Saturday mornings at Spanish Fork High School for six weeks. Check out www.spanishfork.org/arts/ for class descriptions and instructor bios. Registration is going on now until January 24 or when classes fill up. Register online at reconline.spanishfork.org. Tuition ranges from $25 – $55 depending on class length. Some classes have an additional material fee.

Christmas Tree Pickup
Spanish Fork City crews will begin picking up Christmas Trees on Wednesday, December 26 and will continue to pick up trees through Thursday, January 17. All trees must be placed at the curbside with all lights, stands, and decorations removed. Do not place trees in any type of bag. To request a Christmas Tree pickup please visit www.spanishfork.org/christmastrees.
