WHAT TO DO WITH GREEN WASTE?

Spring is here, and with the warmer weather comes yard work. Rather than fill your black garbage can with grass clippings or other green waste, consider one of the following:

Green Waste Vouchers: Spanish Fork residents can receive up to 3 free vouchers to take their green waste to the solid waste transfer station. Get your free vouchers at www.spanishfork.org/greenwaste.

Grass-Cycling: Grass-cycling reduces mowing time by 25%, requires less fertilizer, and frees up space in your garbage can. Learn more at https://www.spanishfork.org/departments/public_works/grass-cycling.php.

Composting at Home: When done properly, small-scale composting does not produce odors or large amounts of CO2 emissions. Compost can be used to mulch or worked into the soil to enrich flowerbeds and vegetable gardens. Learn more at https://www.spanishfork.org/departments/public_works/compost_green_waste.php.

THE GREAT UTAH SHAKEOUT

Spanish Fork City will be participating in the 2019 Great Utah ShakeOut on Thursday, April 18. During the drill, we will test the City’s communications systems, including Everbridge, which is our Emergency Alert Program. Everbridge distributes important information to residents during a disaster via telephone, text message, and email. During the Great ShakeOut, we will send out a test notification from the system.

To sign up for notifications from the Emergency Alert Program, or to update your existing contact information, please visit member.everbridge.net/index/892807736723577#/login.

MISS SPANISH FORK 2019

Congratulations to Morgan Reid, who was named Miss Spanish Fork for 2019, with Jill McConnell as First Attendant and Ashlynn Crockett as Second Attendant. Thank you to Morgan Olson, Miss Spanish Fork 2018, for her service this past year.
