## FIESTA DAYS RODEO

We’re very excited to hold this year’s Fiesta Days Rodeo on July 20-24. The decision to have the rodeo was made in conjunction with state and county health officials, and in accordance with their guidelines, all rodeo attendees and staff will be required to wear a face covering. Souvenir bandanas will be available to all attendees to use as a mask. We encourage at-risk individuals to stay home and enjoy the rodeo events online or on the Cowboy Channel.

Visit sfFiestaDaysRodeo.com to buy tickets or for more information.

## FIESTA DAYS EVENTS

The rodeo isn’t the only fun thing happening in July. Beginning July 11 and running through July 25, the city will host a number of other Fiesta Days activities based on the state’s color-coded health guidelines. Find a list of confirmed and cancelled events for each color at sfFiestaDays.com. The following events have been cancelled for this year:

- Adopt-a-Duck Race
- Flag Retirement Ceremony
- Pyromusical
- Fish Rodeo
- Outdoor Quilt Show

## SPANISH FORK YOUTH THEATRE: FROZEN

SOUTH UTAH COUNTY COMMUNITY ORIENTED POLICING (COP) GROUP

Each month, representatives from community service organizations come together with representatives from local law enforcement agencies to collaborate and discuss ways to provide services to people in need. The group can connect crime victims and people experiencing homelessness or mental health issues to resources that can help them get back on their feet.

Please contact the Spanish Fork Police Department at (801) 804-4700 with referrals for the group or with any questions about the South Utah County COP.

NEW MOUNTAIN BIKE TRAILS OPEN

As of June 29, the new mountain bike trails south of the Spanish Fork Reservoir are open! The expansion includes several miles of new walkable and bikeable trails.

For more information on the city’s trail system, call the Parks & Recreation department at (801) 804-4620.

GARBAGE REMINDERS

Follow these guidelines for the best experience with your garbage service:

- Never put dirt, sod, or rocks in your garbage cans.
- Break down cardboard and place it in the can vertically so it takes up less space and doesn’t stick in the can.
- Bag all loose grass clippings and leaves. Unbagged grass and leaves can stick like concrete to the bottom of a can, smell bad, and be difficult to dump.

For more guidelines, visit spanishfork.org/garbage.
