SNOWSTORM PARKING

City ordinance requires that residents not park anything along the street once snow starts accumulating and during snow plow operations for up to 48 hours after a snowstorm. Vehicles and trailers parked on the side of the road during a snowstorm will be subject to fines. This has the following benefits:
- Streets are cleared more quickly and thoroughly, fewer incidents of damaged parked vehicles and trailers by plowing operations, safer plowing conditions, especially on steep roads, and nuisance broken down vehicles and trailers will be cleared from the streets regularly.

For more information, visit the Street Snow Removal website: spanishfork.org/winterparking.

CHRISTMAS BOX ANGEL MEMORIAL SERVICE

You are invited to attend a special service held on Dec. 6 at 7 p.m. at the Spanish Fork Cemetery near the Christmas Box Angel Statue, dedicated to all parents who have lost a child. The service will honor children that have passed away. Candles and carnations will be given to all that attend.
