For more information see www.spanishfork.org or call Spanish Fork Recreation at 801-804-4600.

SUMMER UTILITY BILL REMINDER

Summer is here and that means increased air conditioning and pressurized irrigation use. This increased usage leads to larger utility bills. You may notice that there is a lag between your utility usage and when you pay for them. This lag means that your usage at the beginning of the summer won't be paid for until the end of the summer.

For example, the water you use for your lawn on June 6 won't be paid until August 20. Due to this timing, the largest bills are generally those due on the 20th of August, September, and October. We hope this information will help you budget for the larger bills that come at the end of summer.

Electric	Water & PI	SFCN	Bill	Due Date
Usage End Date	Usage End Date	Services End Date	Delivered	
7/15/21	7/10/21	7/20/21	8/1/21	8/20/21
8/15/21	8/10/21	8/20/21	9/1/21	9/20/21
9/15/21	9/10/21	9/20/21	10/1/21	10/20/21

JOIN THE CHORALE

We are so excited to start our new semester, free of COVID restrictions, with Spanish Fork Chorale. If you want to have a fun night out of the house, make new friends (or meet up with old ones), and sing together, come to our first rehearsal on September 7, at 7 p.m. in the Spanish Fork High School choir room. We have some great concerts planned and we need YOU! Go to spanishfork.org/arts for more info.

YOUTHATRE REGISTRATION

Spanish Fork Youthatre registration starts August 2 for this next year. Please visit spanishfork.org/arts for more info and a list of plays that we will be performing.

CITY OFFICE BUILDING PARKING

Due to construction, the City Offices' parking lot will be closed July 18 through mid October. Parking is still available in front of the building on Main Street and on Center Street.

MOVIES IN THE PARK

Come enjoy the movie Tom and Jerry with family and friends. The movie will premier on August 6 at City Park. The food trucks start at 5 p.m. and the movie begins at dusk.

For more information visit www.spanishfork.org/movies

PRIDE & PROGRESS

NOTICE TO SPANISH FORK CITY UTILITY CUSTOMERS

State law requires that the City provide an annual disclosure on funds transferred from a utility enterprise fund to any other fund. With the adoption of the FY22 budget on June 15, 2021, the City has completed the following transfers.

The City of Spanish Fork has budgeted for the transfer from each utility fund to the general fund as a dividend to Spanish Fork taxpayers. This dividend is the result of the rate payers' investment in the City's utility infrastructure. These funds are used each year to help cover costs of important city services like police, fire, library, senior center, parks and recreation, and other city functions. The utility transfer helps keep property taxes low in Spanish Fork. If City utility services were provided by private utility vendors, these dividends would instead be paid to the private investor-owners. Because Spanish Fork residents are the investor-owners, these dividends are used to offset what otherwise would be a significant increase in property tax rates. These transfers are of funds which cannot be defined as reasonable allocation of costs between funds. These amounts will not be repaid.

The amounts of the transfers are as follows:

	Dollar Amount	% of Expenditures
From the Water Fund to the General Fund	\$ 350,000	1.76 %
From the Sewer Fund to the General Fund	\$ 150,000	0.39 %
From the Electric Fund to the General Fund	\$ 1,225,000	3.83 %
From the Storm Drainage Fund to the General Fund	\$ 25,000	0.11 %
From the Solid Waste Fund to the General Fund	\$ 25,000	0.51 %
From the Broadband Fund to the General Fund	\$ 200,000	2.26 %

Spanish Fork City also has a debt obligation that the Electric Fund is making payments on. The funds are to pay for the Justice Center (Police/Court Building). Spanish Fork City also has an irrigation project at The Oaks Golf Course. The Water Fund is providing a water-conservation grant to assist the Golf Course in completing a sprinkling system upgrade that will save the water fund an estimated 41 million gallons of water per year. The amount of the water conservation grant is a calculation of the water-right savings derived from the new irrigation system. These are for funds which cannot be defined as reasonable allocation of costs between funds. These amounts will not be repaid.

The amount of these transfers are as follows:

	Dollar Amount	% of Expenditures
From the Electric Fund to the Debt Service Fund	\$ 679,503	2.12 %
From the Water Fund to the Golf Course Capital Projects Fund	\$ 684,750	3.45 %

A public hearing was held on Tuesday, June 1, 2021 and the budget was adopted on June 15, 2021. The fiscal year begins July 1, 2021 and ends June 30, 2022.

Thank you for your support and involvement as a utility customer of Spanish Fork.

Dear Spanish Fork Resident:

We are excited to let you know about the following programs!

The **Weatherization Program** has been designed as an energy saving opportunity for low income households. Its primary purpose is to lower your heating and cooling costs at **NO** cost to you!

Some of the services provided by the Weatherization Program include (all may not apply):

- Energy Audits
- Home Performance Windows/doors
- Furnace testing, repair and replacement
- Attic, wall and floor insulation
- Refrigerator replacement
- Duct sealing and testing
- Blower door testing
- Install ventilation fans
- Water Heater Testing, repair and replacement

The **HEAT Program** is now open year-around, and provides annual utility assistance to eligible households by making a payment to your Electric and Gas providers.

If you are interested in applying for services, both programs require an application. Once we have received your completed application and the required documentation, we will process your application in the order received.

You can fill the application out on our website (see below) or give us a call if you would like us to mail you an application. We look forward to helping you and your home become more energy efficient!

Please contact us with any questions or concerns at (801) 229-3855 or by email at weatherization@mountainland.org.

Sincerely,

Katie Mitchell; Weatherization/HEAT Coordinator
Ann Williams; Administrative Assistant
