CLEAN-UP AFTER RESERVATION

Groups are responsible for basic clean-up of the fire pit area and the immediate area in and around the campground. Groups should remove all decorations, including tape and bug catchers, and clean-up all of the garbage. Avoid over filling garbage cans as there should be an adequate number in the area to utilize. Bring a push broom to sweep up any dropped food items and to sweep around the fire pit. Make sure that fire is completely out before you leave the premises. Tables may not be removed from the area. If you re-arrange them, they must be returned to their original position. Spanish Fork Parks Staff will check facilities following rentals and report any problems with clean-up to the Parks & Recreation Office.
