We are grateful those who take the time to serve on the board and make the Sr. Citizen Center such a wonderful place to come and mingle with friends.

Flag Day is a day commemorating the adoption of the Stars and Stripes as the official flag of the United States. Betsy Ross sewed the first American flag in 1776.

**Our last mini meal before summer will be Monday, June 22<sup>nd</sup>. First meal back will be Monday, August 3<sup>rd</sup>.**

*There are a range of events, which may have inspired the idea of Father's Day.*

*One of these was the start of the Mother's Day tradition in the first decade of the 20th century. Another was a memorial service held in 1908 for a large group of men, many of them fathers, who were killed in a mining accident in Monongah, West Virginia in December 1907.*

*Beginning Wednesday, June 10 the temple trip will be to the Payson Temple and will leave at 10:00 am.*
