MESSAGE FROM THE CHIEF

Our beautiful city continues to grow and as our Mayor says we are the City of Pride and Progress.

We had some personnel changes in the Public Safety department, namely Emergency Services Manager Don Thomas retired after serving more than 40 years for the city. And although this took place in January 2019 we had two Patrol Sergeants retire, Brad Mitchell and Chris Sheriff. Their positions have yet to be filled. The combined years of service, knowledge and know-how of these three is over 80 years! They will be missed but this gives others an opportunity to share their talents and expertise in these areas. Don was replaced by now Deputy Chief Ryan Baum. He will serve as our Emergency Manager as well as continue in his service with the Fire Department. You can find out more from him in the Ambulance area of our year end report.

Our Police Department continues to see an increase in calls for service which is expected with the growth we are experiencing. As you may know we try to have our officers with enough “unobligated time” that they can do some proactive policing. Meaning that they are not going from call to call or having calls back up having citizens waiting to be served. Our Mayor, Council and City Manager are very supportive of this philosophy and effort.

Our EMS personnel are responding faster than they ever have with them being required to be at the station from 7am to 7pm. We are looking at expanding these times to capture nearly 90% of the calls. Our Fire and EMS teams serve with honor and integrity. They continue to protect property and save lives. We are
truly fortunate to have these men and women serving the community. We will continue to monitor the needs and costs to share with the Council for possible improvements to these services.

The planning and research is well underway for the new Fire Station, “Station 62”. You may remember this is being built on the east side of Spanish Fork, specifically 2550 East Canyon Road. If all goes to plan it will open in the fall of 2020.

Please get to know the goings on in the city and your local Police Officers, Firefighters and Emergency Medical Technicians by reading through this report and visiting with us on our streets. We are here to serve you to the best of our ability. Your Public Safety Officers in each of these divisions know their duties and keep up to date on the best practices to ensure that Spanish Fork Citizens are well served.

It is without hesitation or question that I state that in order for us to do our jobs and be successful we need community involvement. We are grateful to those citizens who get involved. Please continue to do so. Get involved and make a difference.

If you have any needs or desires of your Public Safety Department please contact us.

We are here to Protect and Serve.

ADMINISTRATIVE DIVISION

The Administrative Division provides services to the public as well as to other Divisions within the Police Department. Our goal is to serve the citizens and officers. When citizens respond to the Police Department for assistance, the Administrative Division is the initial contact and our members guide the citizens to the appropriate personnel.

The Administrative Division consists of the secretarial staff, animal control officer, code enforcement officer and numerous school crossing guards. The Division is responsible for the maintenance and dissemination of public records, training, the cataloging and custody of evidence, computer systems, new recruit hiring and training, buildings and grounds and policy review and implementation, fire and ambulance billing and training hours for the fire department.

Victim Advocate

*Spanish Fork City’s Victim Services Program strives to ensure victims of crime receive assistance, information, resources and support to help them through a very difficult time while protecting their constitutional rights.*

Victim Rights

Utah Constitution declares victims of crime have the following rights:

- To be treated with fairness and dignity and respect.
- To be informed of, be present at and to be heard at important criminal justice hearings.
- To have a sentencing judge, for the purpose of imposing an appropriate sentence, receive and consider, without evidentiary limitation, reliable information concerning the background, character, and conduct of a person convicted of an offense.

South Utah County Community Oriented Policing (COP) Meeting

In 2018, Chief Adams spearheaded the formation of a South Utah County Community Oriented Policing group after attending a meeting for Spanish Fork City’s Health & Wellness Program. At this meeting, Chief Adams was
informed by Randy Huntington, LCSW of Wasatch Mental Health, of an opportunity to collaborate with others, discuss situations and people agencies come in contact with and provide services. Chief Adams assigned the Administrative Lieutenant and Victim Advocate to attend Provo City’s COP Meetings in an effort to model South Utah County’s COP Meetings after them. Information about COP was sent to South Utah County Law Enforcement Agencies and Springville, Mapleton, Salem, Payson and Santaquin Police Departments as well as the Utah County Sheriff’s Office expressed interest in coordinating with Spanish Fork Police Department, Wasatch Mental Health, Adult Protective Services, Division of Child & Family Service, Provo Behavioral Hospital, Intermountain Healthcare, Utah County Housing, Tabitha’s Way and the Food & Care Coalition in this effort. The initial meeting was held in March 2018. Meetings are held monthly at the Spanish Fork Police Department and are set to continue. The group has worked together to provide services to many people law enforcement comes in contact with who are dealing with mental health issues, who are victims of crime, who are homeless or who are facing other hardships with which the group discusses and acts to find solutions and assistance for these community members.

Funding

The Victims of Crime Act, passed in 1984 under President Ronald Reagan, created the Victims of Crime Act Fund, or VOCA Fund, to be a protected and dedicated source of funding for crime victim programs. The VOCA Fund does not depend on taxpayer dollars – it is derived from fines and penalties on offenders at the federal level. Spanish Fork City applied for VOCA funding, the Utah Office for Victims of Crime reviewed and approved the applications and awarded the following amounts to serve victims of crime in Spanish Fork City.

- 2016 VOCA Grant $54,580.09 (one year grant)
- 2017-2019 VOCA Grant $103,661.61 (two year grant)
INVESTIGATIVE DIVISION

The Investigative Division has the responsibility of conducting proactive investigations as well as investigations on criminal and non-criminal cases such as: arson, burglary, robbery, theft, forgery, fraud, identity theft, homicide, assault, kidnapping, sex offenses, public health and safety crimes such as weapons offenses, alcohol, tobacco, illegal drug use, drug trafficking and pornography violations. Some of the non-criminal cases are runaways and death investigations.

The Investigations Division is responsible for general investigations as well as numerous special investigative responsibilities. Some of the detective assignments are general investigator, drug enforcement officer, Utah County Major Crimes Task Force and school resource officers.

The Lieutenant directly supervises the Sergeant. He is responsible for reviewing cases and assigning the cases to the detectives for follow up investigations and monitoring their performance and quality of work. He also assists in investigations and major investigations as needed.

The Sergeant directly supervises seven detectives. He also carries a caseload of active investigations and follows up on these investigations. He closely monitors the investigations conducted by the detectives under him and provides assistance and suggestions as needed.

PATROL DIVISION

The Patrol Division is comprised of one Lieutenant, four Sergeants and eighteen officers. The primary responsibility of the Patrol Division is to provide 24 hour a day police response. Officers respond to calls for service in both emergency and non-emergency situations.

Aside from responding to dispatched calls, officers are responsible for patrolling neighborhoods, enforcing traffic laws, enforcing city and state codes and ordinances, investigating traffic accidents, providing traffic control, investigating cases, providing presentations to citizens of the community, teaching DARE in the elementary schools, and other duties as assigned.

The patrol officers are most likely to be in direct contact with the public. We strive to provide the best possible customer service to the public. Our patrol officers are of the highest integrity and bring honor to the uniform and to the City of Spanish Fork.

DEPARTMENT STATISTICS

Calls for Service

A call for service is a request for assistance from someone in the community. Most calls handled by the department are calls for service as opposed to calls reporting a crime. These may include someone calling for help in opening a locked car, a traffic accident, public presentation requests, etc. The majority of a patrol officer’s time is spent on these types of calls. There were a total of 25,129 calls for service in 2018. This is an increase of over 1,000 calls from last year.

How Calls for Service Were Received

Public generated calls are dispatched by our dispatch center. Officer generated calls are calls initiated by an officer.
An average of 69 calls were service were responded to each day.

Arrest Comparison

This comparison is the total arrests made by issuing a citation or by an arrest by issuing a summons or physical arrest. Citations include violations such as speeding, registration offenses, etc. Arrests include violations such as shoplifting, theft, assault, etc.
Traffic Accidents

Spanish Fork Police Department takes traffic enforcement very seriously. Nationally, more people are injured and die from motor vehicle accidents than all crimes combined. The following information is taken from actual traffic accident reports written by Spanish Fork Police Officers.

DEPARTMENT HISTORY

New Hires

David Spencer

David Spencer grew up in Provo and attended school there. He graduated from Provo High School. His family has a home at Bear Lake so he spent several months a year living there. He loves the outdoors and spent countless hours waterskiing and whatever was challenging to do behind a boat. As he came to adulthood his obsession redirected itself to hunting and fishing. He spends a lot time and money in the pursuit of animals.

He currently lives in Woodland Hills with his wife and two daughters ages 7 and 5. He loves spending time with his family.

He has been involved in law enforcement since 2011. He began his career at the Utah County Jail but has loved the career change to Spanish Fork Police Department.
Kylie Packard

Kylie Packard was raised and currently resides here in Spanish Fork. At a very young age she learned to have passion for softball. She played while growing up and then became a Lady Don for the HS softball team. She went on to play in college for 2 years at Utah Valley State College. While attending UVSC she worked part time at PEAK Physical Therapy where she ended up working for 10 years. In the time while working at PEAK PT, she went to Massage Therapy School and became a Licensed Massage Therapist. In 2016, she decided it was time to end things in Sports Medicine and switch gears to Law Enforcement. She worked with the Utah County Sheriff’s Office for almost 2 years as a corrections officer at the Utah County Jail before coming to Spanish Fork.

Jorge Morales

Jorge Morales comes to Spanish Fork Police Department right out of the Police Academy. He is very excited and eager to learn everything he can to serve this great community. He grew up in Sanpete County where he attended three years of high school before moving to Spanish Fork and graduating from Spanish Fork High. He completed his peace officer training at the UVU Police Academy. He has been married to his wife for three years and together they have two daughters. Jorge is bi-lingual and as such is a great asset to the department. Jorge says he is very excited to be part of such a great department.
Accreditation

On December 11, 2018 the Spanish Fork City Police Department was recognized as being the third agency in the State of Utah to be awarded accreditation by the Utah Chiefs of Police Association. The Utah Law Enforcement Standards Accreditation Program, under the direction of the Utah Chiefs of Police Association, is intended to provide law enforcement agencies of the State of Utah an avenue for demonstrating that they meet accepted standards for effective and efficient operations.

Law enforcement executives who choose to have their agencies accredited under this program will have all aspects of their operations examined. The standards established for this process were developed by the Utah Law Enforcement Agencies Professional Standards Accreditation Committee made up from the membership of the Utah Chiefs of Police Association.
Major Cases

Large Drug Seizure and Arrest

Narcotics detectives served a search warrant on a Spanish Fork home for suspicion of using and distributing illegal drugs. Inside the home, officers found 145 grams of heroin, 165 grams of methamphetamine, 21 unidentified pills, 200 grams of marijuana “dab” and a small amount of cocaine. The amount of methamphetamine found inside the home equals approximately 1,650 doses or an estimated street value of $16,500. The amount of heroin would equate to approximately 1,450 individual doses or an estimated street value of approximately $14,500. Detectives also found four live marijuana plants, along with lamps and other equipment used in cultivating marijuana. Investigators also seized $3,520 in cash and seven different firearms with more than 20,000 rounds of ammunition. Two individuals, one male and one female, were charged in this case.

Sexual Abuse Cases

In May 2018, one 6 year old girl told her mother about sexual abuse. The mother and another parent confronted the suspect about the allegation. The suspect told the parents he had been sexually abusing four girls for years when they were between the ages of 4 and 7. He agreed to turn himself over to police officers. In interviews with police, the suspect told investigators he had molested four girls between 2005 and May 2018. He also told police he inappropriately touched one of the girls within the last six months. The suspect pled guilty to sexually abusing the four young girls for nearly 13 years. He was sentenced to 10 years to life in prison on four charges of aggravated sexual abuse of a child, all first-degree felonies. The sentences will run consecutively, meaning he will spend more than 24 years in prison and be at least 91 years old before his first parole hearing.
A Spanish Fork man was charged with several felony charges for reportedly sexually assaulting an 11 year old girl and inappropriately touching her for more than two years. The girl told investigators that she was inappropriately touched over and under clothing at the suspect's house in Spanish Fork. The sexual abuse happened repeatedly from 2014 to 2016. The suspect was charged in 4th District Court with eight counts of aggravated sexual abuse of a child.

In May of 2018 a Nebo School District employee was arrested on accusations of sexually abusing two male students. At the time of the sexual assault the suspect worked as the janitor at Sierra Bonita Elementary School in Spanish Fork. One boy told a police officer he was abused while he was alone in the school bathroom. The boy was asked to “keep it a secret and not tell anyone” about the abuse. During the investigation, security footage showed the suspect enter the same bathroom as the victim for a short period of time. Another boy told police that he was abused in the school's shed. The next day, the suspect apologized “over and over” to the boy and asked him to keep the abuse a secret. The incident caused the second boy to become depressed and scared to go to school. The boy said he would pretend to be sick so he wouldn’t have to go to school to see the suspect. During an interview with police, the suspect admitted to knowing both boys and having involvements with them. He denied ever touching either boy. He was arrested on a $15,000 cash only bail for charges of two counts of sexual abuse of a child both of which are first-degree felonies.
Felony Graffiti

On April 7, 2018 Spanish Fork Police Department received several reports of graffiti that had occurred during the night. Some of the graffiti was found on Spanish Fork Police vehicles, Utah County Sheriff’s vehicles, citizen’s fences, public fences, citizen’s vehicles, businesses and city property. During the investigation Detectives were able to recover a spray paint can from one of the scenes. Fingerprints were found on the can. A witness also saw a male subject spray painting a fence then leaving the area in a Honda Fit passenger car. Video footage was also obtained from a local business showing a silver Honda Fit leaving the area at the same time the graffiti occurred. Two suspects were identified and arrested in this case.

Construction Site Burglaries

Several construction burglaries and thefts took place in Spanish Fork. Investigators were able to determine who was involved in the thefts due to surveillance cameras located near the construction sites and a witness that obtained a license plate. The suspect vehicle was identified and the individual that owned the truck was confronted when property from the burglaries was located at his home. The suspect was interviewed about the thefts and admitted to doing construction site thefts and burglaries all over southern Utah County. Thousands of dollars of property were recovered and multiple agencies were able to return property to the victims. This case is still working its way through the courts.
LDS Church Burglary and Vandalism

On August 27, 2018 Spanish Fork Police responded to a fire alarm at the Church located at 989 South 2550 East. On arrival, officers found the north side doors unlocked and discovered significant damage inside estimated at over $5,000. A few days later an officer received a Snapchat video from a concerned citizen that showed a man walking through a church gymnasium that matched the one that was damaged. At the end of the video, one man spoke with another individual admitting to the damage of the church. Police were able to make identification of the individuals involved by fingerprints left at the scene. Both individuals were arrested for second degree felony criminal mischief and third degree felony burglary.
FIRE DEPARTMENT

Serving our Community and Protecting Life and Property for over 100 years

Spanish Fork Fire Department provides a valuable service to our community by protecting life and property. These men are dedicated and hardworking members of our community who donate hundreds of hours of service.

Fire Department Overview

The Spanish Fork Fire Department has a long and outstanding history and tradition in the community. Originally founded in 1908 with 20 volunteers and simple hose carts, the fire department today is proud to continue to serve as a volunteer department using modern equipment. The fire station is located in the Public Safety Building located at 370 North Main Street. It was built in 1996. With the growth in Spanish Fork a second fire station is being built on the east side of town.

Fire Chief Brent Jarvis

The Spanish Fork Fire Department is responsible for the largest area in Utah County, stretching from West Mountain through Spanish Fork Canyon to Soldier Summit.

The fire department is proud to be of service to Spanish Fork City and the surrounding community.

AMBULANCE DEPARTMENT

Committed to Give So Others May Live

The Ambulance Department responds to numerous calls per year and treats thousands of patients. The members are active in the community teaching CPR classes, participating in health and safety fairs and providing services during many of the city activities. They respond with the fire department on all structural fires. Members are well trained to keep abreast of the changes in medical care.

Ambulance Department Overview

The Spanish Fork Ambulance Department has seen a lot of changes in 2018. Emergency Service Manager Captain Don Thomas retired after over 40 years of dedicated service to the citizens of Spanish Fork. With his retirement the City hired Spanish Fork resident Ryan Baum as the new Deputy Chief over the Ambulance Department and acting as the city’s Emergency Manager.

Deputy Chief Baum has worked for Spanish Fork City and has been a member of Spanish Fork Fire Department for over 17 years.

The Spanish Fork Ambulance responded to over 1,800 calls this year. They are staffed with 36 dedicated part-time employees who provide professional around the clock emergency medical services to our growing community.

The future looks bright with the addition of a second Fire/Ambulance Station in the works. We look forward to continuing to serve our citizens with professionalism and compassion in the future.
Members of the Ambulance Department
Name and Years of Service

Ryan Baum
1 year of service

Kay Thomas-Perkins
37 years of service

David Ellsworth
36 years service

Barbara Simpson
36 years service
