Spanish Fork Public Safety
Annual Report 2020

Compiled by:
Jill Thorpe
MESSAGE FROM THE CHIEF

This past year has been historic. With a worldwide pandemic, protests on the local and Federal level to the exciting opening of Station 62, Spanish Fork Citizens and the Public Safety Department have experienced many new things.

Station 62 which is located at 2563 East Canyon Road had its ribbon cutting this past September but it wasn’t without a lot of effort. We had ordered two new ambulances and because of the delays with the manufacture we did not receive them until 2021. We also had an ambulance get into a wreck which caused this ambulance to be totaled. This left us at times with one ambulance for the entire city. With great efforts from our EMT’s and the assistance from Salem, Mapleton and at times Springville our citizens received the needed care. Today we have a full fleet of five ambulances and have EMT’s around the clock and ready to respond from Station 62. At Station 61, which is on Main Street, our EMT’s are there to respond to a call from 7am to 10pm. From 10pm to 7am they respond from home/work. We are so proud of these fine EMT professionals and where we are today because of their efforts.

Another exciting thing that occurred this past year was the hiring of a full time emergency preparedness officer, Trevor Sperry. In the short time he has been here he has held CERT trainings, been involved in COVID-19 vaccinations and made plans with many entities for mock disasters and the Great Shake Out. He will be and is a great asset for our community.
Your police officers continue to serve you with honor and gratitude. So many people showed their support to the officers this past year. We observed across the Nation that there were many expressing their displeasure with their police officers. We on the other hand were shown compassion, love and gratitude from our citizens. This truly is the best community to live, work and raise a family.

Please get to know the goings on in the city and your local Police Officers, Firefighters and Emergency Medical Technicians by reading through this report and visiting with us on our streets. We are here to serve you to the best of our ability. Your Public Safety Officers in each of these divisions know their duties and keep up to date on the best practices to ensure that Spanish Fork Citizens are well served.

It is without hesitation or question that I state that in order for us to do our jobs and be successful we need community involvement. We are grateful to those citizens who get involved. Please continue to do so. Get involved and make a difference.

If you have any needs or desires of your Public Safety Department please contact us.

We are here to Protect and Serve

ADMINISTRATIVE DIVISION

The Administrative Division provides services to the public as well as to other Divisions within the Police Department. Our goal is to serve the citizens and officers. When citizens respond to the Police Department for assistance, the Administrative Division is the initial contact and our members guide the citizens to the appropriate personnel.

The Administrative Division consists of the administrative sergeant, support staff, victim advocate, animal control officer, code enforcement officer and numerous school crossing guards. The Division is responsible for the maintenance and dissemination of public records, training, cataloging and custody of evidence, computer systems, new recruit hiring, policy review and implementation and fire and ambulance billing.

Victim Advocate

Spanish Fork City’s Victim Services Program strives to ensure victims of crime receive assistance, information, resources and support to help them through a very difficult time while protecting their constitutional rights.

Victim Rights

Utah Constitution declares victims of crime have the following rights:

- To be treated with fairness and dignity and respect.
- To be informed of, be present at and to be heard at important criminal justice hearings.
- To have a sentencing judge, for the purpose of imposing an appropriate sentence, receive and consider, without evidentiary limitation, reliable information concerning the background, character, and conduct of a person convicted of an offense.

South Utah County Community Oriented Policing (COP) Meeting

South Utah County COP Meetings are held monthly at the Spanish Fork Police Department. At these meetings, representatives from community service providers along with representatives from law enforcement join together to collaborate & discuss ways to work together to provide services to community members who are victims of crime, who experience mental health issues, homelessness and those who are in need. Currently representatives from Wasatch Mental Health, Utah Valley Regional Medical Center, Mountain View Hospital, Provo Behavioral Hospital, Adult Protective Services, Division of Child & Family Services, Food & Care Coalition, Tabitha’s Way, Adult Probation & Parole, along with Spanish Fork, Santaquin, Payson, Salem, Springville and Mapleton Police Departments and Utah County Sheriff Office attend these meetings.

Funding

The Victims of Crime Act, passed in 1984 under President Ronald Reagan, created the Victims of Crime Act Fund, or VOCA Fund, to be a protected and dedicated source of funding for crime victim programs. The VOCA Fund does not depend on taxpayer dollars – it is derived from fines and penalties on offenders at the federal level. Spanish Fork City applied for VOCA funding, the Utah Office for Victims of Crime reviewed and approved the applications and awarded the following amounts to serve victims of crime in Spanish Fork City.

INVESTIGATIVE DIVISION

The Investigative Division has the responsibility of conducting proactive investigations as well as investigations on criminal and non-criminal cases such as: arson, burglary, robbery, theft, forgery, fraud, identity theft, homicide, assault, kidnapping, sex offenses, public health and safety crimes such as weapons offenses, alcohol, tobacco, illegal drug use, drug trafficking and pornography violations. Some of the non-criminal cases are runaways and death investigations.

Lt. Matt Johnson

The Investigations Division is responsible for general investigations as well as numerous special investigative responsibilities. Some of the detective assignments are general investigator, drug enforcement officer, Utah County Major Crimes Task Force and school resource officers.

The Lieutenant directly supervises the Sergeant. He is responsible for reviewing cases and assigning the cases to the detectives for follow up investigations and monitoring their performance and quality of work. He also assists in investigations and major investigations as needed.

The Sergeant directly supervises eight detectives. He also carries a caseload of active investigations and follows up on these investigations. He closely monitors the investigations conducted by the detectives under him and provides assistance and suggestions as needed.

PATROL DIVISION

The Patrol Division is comprised of one Lieutenant, four Sergeants and 18 officers. The primary responsibility of the Patrol Division is to provide 24 hour a day police response. Officers respond to calls for service in both emergency and non-emergency situations.

Aside from responding to dispatched calls, officers are responsible for patrolling neighborhoods, enforcing traffic laws, enforcing city and state codes and ordinances, investigating traffic accidents, providing traffic control, investigating cases, providing presentations to citizens of the community, and other duties as assigned.

The patrol officers are most likely to be in direct contact with the public. We strive to provide the best possible customer service to the public. Our patrol officers are of the highest integrity and bring honor to the uniform and to the City of Spanish Fork.

DEPARTMENT STATISTICS

Calls for Service

A call for service is a request for assistance from someone in the community. Most calls handled by the department are calls for service as opposed to calls reporting a crime. These may include someone calling for help in opening a locked car, a traffic accident, public presentation requests, etc. The majority of a patrol officer’s time is spent on these types of calls. There were a total of 23,427 calls for service in 2020.

How Calls for Service Were Received

Public generated calls are dispatched by our dispatch center. Officer generated calls are calls initiated by an officer.
Calls for Service Comparison

An average of 69 calls were service were responded to each day.

DEPARTMENT HISTORY

New Hires

Wyatt Goforth

Wyatt Goforth grew up in Spanish Fork and graduated from Maple Mountain High School. Shortly after graduating high school he was hired by Spanish Fork City on the Streets and Storm Water Department. While working for the City he self-sponsored himself through the UVU Police Academy and graduated in April 2020. He was hired by Spanish Fork City as a patrol officer. “Ever since I was a young kid, I’ve wanted to be a police officer. I’m honored to serve the community every single day!”

Trevor Thompson

Trevor Thompson was raised in Cokeville, Wyoming. He has lived in Spanish Fork for the past 10 years with his wife and two children. For the past three years he worked with Mapleton Police Department and came highly recommended by them. In his spare time he enjoys hunting and vacationing with his family. “I just recently switched to the best department being the Spanish Fork Police Department.”

We welcome these two fine officers to the department. They will be a great asset to the City.
Spanish Fork Named 11th Safest Small City in the Country

A study conducted by MoneyGeek analyzed crime in 989 small cities to calculate the cost of crime. Spanish Fork was ranked number 11 on the list of small cities in the entire country. This made Spanish Fork the safest small city in Utah.

To rank the safest small cities and towns, MoneyGeek started with standardized crime statistics reported to the FBI. This was based on cities with population between 30,000 and 100,000 residents. To compile their data they used population, property crime rates, violent crime rates and crime cost per capita.

Spanish Fork was listed with the crime cost per capita being $68 and the total cost of crime being $2,774.

Fire Department Overview

The Spanish Fork Fire Department has a long and outstanding history and tradition in the community. Originally founded in 1908 with 20 volunteers and simple hose carts, the fire department today is proud to continue to serve as a volunteer department using modern equipment. The fire station is located in the Public Safety Building located at 370 North Main Street. It was built in 1996. A second station is located at 2550 East Canyon Road. It was built in 2020.

The Spanish Fork Fire Department is Responsible for the largest area in Utah County, stretching from West Mountain through Spanish Fork Canyon to Soldier Summit.

The fire department is proud to be of service to Spanish Fork City and the surrounding community.

AMBULANCE DEPARTMENT

Committed to Give So Others May Live

The Ambulance Department responds to numerous calls per year and treats thousands of patients. The members are active in the community teaching CPR classes, participating in health and safety fairs and providing services during many of the city activities. They respond with the fire department on all structural fires. Members are well trained to keep abreast of the changes in medical care.

Spanish Fork City takes their emergency preparedness very seriously. They work hard to make sure that citizens and employees are prepared in the event of any type of disaster.

In April Spanish Fork City hired Trevor Sperry as the Emergency Preparedness Coordinator. Trevor grew up in the Chicago area and moved to Utah in 2010 to attend Utah Valley University. He graduated in Emergency Services Administration with an emphasis in Emergency Management and a minor in Spanish. He worked as an intern with the Disaster Response Team at Lone Peak Hospital and then as Emergency Management Director for Colorado Northwestern Community College in Rangely, Colorado where he also volunteered with the local fire department and Type III Incident Management Team of NW Colorado. He loves working for Spanish Fork City, as City Government has been his goal since graduating. He has also volunteered with the Red Cross, Citizen Corps, CERT, and as a Board member for the Disaster Discovery Center. He lives in Orem, with his wife Denise, and two boys, Bennett (4) and Camden (1). Trevor loves anything outdoors, especially hunting, fishing, camping, trucks and smoking meat. He cheers for the Utah Jazz and is a die-hard Green Bay Packers Fan.
